"Prizing Corporate Edification Over Private Experience" 1 Cor. 14:1-19

NOTE: The last week LifeGroup questions will be posted is May 7, 2017. LifeGroup questions will be posted again in the fall.

1. What was the problem in Corinth that Paul was addressing in 1 Corinthians 13-14?

2. What is Paul's main point in 1 Corinthians 14:1-19? Why is the edification of the church so important?

3. Read Colossians 1:28, Ephesians 4:11-13, 2 Timothy 4:1-4. What do these verses teach us about the priority of edification for the church?

4. Instead of prizing edification, what were the Corinthians prizing? Why is this dangerous to the life of a church? What in the church do we sometimes value more than edification?

5. How can we grow in our valuing of the preaching and teaching of God's word? According to Colossians 3:16, what else can edify us?
