LifeGroup Questions for the week of March 10, 2019
"Send Like Gaius" 3 John 5-8
Note: LifeGroups will not meet the week of March 17 and no questions will be posted so that all may attend the All-church Outreach Prayer Event at the church on March 20 at 7:00 pm.

1. What impacted you from this year's missions conference? How can a missions conference be helpful to us as Christians?

2. Why is some strategy for global missions necessary for a local church to be biblically faithful?

3. As it was explained, what is the significance of the Greek word *propempo*, which is translated "to send them on their way"? What implications might this have for the way we support missionaries?

4. How might the phrase "for the sake of the Name" relate to the idea we talked about last week of "loving others in Jesus' name"? What is that we can do "for the sake of the Name" right here in Colorado Springs?

5. What does it mean to be a "fellow worker" in vs. 8? How should this motivate us to support missionaries well?
