

LifeGroup Questions for the week of November 13, 2017
“Doing the Lord’s Work” 1 Corinthians 16:5-12

Note: No LifeGroup questions will be posted next week. Have a happy Thanksgiving!

1. Why don’t we usually think about regular life as “doing the Lord’s work?” What do Romans 12:1, 1 Corinthians 10:31,15:58, and Colossians 3:17 teach us about the sanctity of even common tasks?

2. Why is love such an important part of doing the Lord’s work? Can you think of any Scriptures that back this up?

3. How can we grow in love for others generally? How can we grow in love for other who are harder to love? What will love look like in some of your more difficult relationships?

4. Why is it important to trust the Lord’s providence when we are doing the Lord’s work? What will trusting God’s providence look like?

5. How are “open doors” of ministry related to God’s providence? How should we wisely respond when we think there may be an open door of opportunity?
