

**LifeGroup Questions for the week of October 8, 2017**

**“Solus Christus, Christ Alone” Selected Scriptures – Pastor Jon Gilmore**

1. How do the first four 'solas' (scripture, grace, faith, Christ) work together? What harm is done to the whole when one is removed?

2. What lessons can we learn from Jesus' approach to answering His disciples' questions in John 13:41-14:6?

3. In what other Scriptures does Christ make the claim "I Am..."? How do these also speak to His exclusivity and sufficiency as Savior?

4. "False theology leads to false worship". In what ways can a church knowingly or unknowingly undermine the sufficiency of Christ alone through its teaching and practice?

5. Many religions are working towards "interfaith unity". Do Jesus' exclusive claims make such unity possible? If not, then why? If so, then in what way?
