“The Church as God’s Building” 1 Corinthians 3:10-17

1. In what ways does this passage teach us the importance of the local church? Why does God view the local church as being so important?

2. Why is the spiritual foundation of a church so important? How should founding a church on the gospel of Jesus Christ effect its message and mission?

3. How do we know that the materials to be used in the building up of Christ’s church are gospel materials? What might these gospel materials look like practically?

4. According to this passage, on what basis will we be rewarded? What might cause us to suffer loss of reward? How do we know that this passage isn’t talking about a judgment of the believer’s sins?

5. How important is the local church in evangelical Christian culture? How can we grow in our own appreciation for and commitment to the local church?
