

**LifeGroup Questions for the week of November 15, 2015**  
**“Grace Works” Titus 2:11-14**

NOTE: No LifeGroup questions will be posted the week of November 22. Happy Thanksgiving!

1. Often times we look at God’s calling on our lives and we can easily be discouraged because of the daunting task. What specific ways can this group pray for you as you live our His calling in your life this week?
2. Paul based his practical exhortation (2:1-10) on doctrinal truth (Titus 2:11-14), why is this such an important foundation?
3. How does the fact that you are now a “new creature in Christ” impact the pursuit of a “worthy walk?”
4. What are some of the ways that Grace teaches us? Feel free to mention ones that were not mentioned in the sermon. What are some of the excusing we use for not taking advantage of those teaching tools?
5. What are the benefits of focusing on our eternal fellowship with Christ in heaven? Why don’t we do it more? How can we make it more a part of our lives?
